

**Consent for Treatment of Minors
in Parent/Legal Guardian Absence**

To comply with Wisconsin law, Wisconsin Health Fund requires that a parent (not step-parent/foster parent) or legal guardian (guardian appointed by the court) consent to the care of minor children. In the event that a parent or legal guardian is unable to consent to care the parent or legal guardian may delegate the right to consent to another adult. In the event that a minor child presents for a non-urgent medical/behavioral health/dental appointment without a parent or legal guardian or a signed consent, treatment may be denied.
