If you are experiencing a dental emergency, please contact our office to be evaluated at 414-755-8325. Thank you for your patience and understanding.

If you have an appointment between now and May 26th a member of our team will be calling to reschedule the following or feel free to give us a call to reschedule:

- Dental Hygiene appointments

- Elective procedures that are to be placed on hold including but not limited to fillings, teeth extractions and root canals.
